Emma: Hi, Rachel! Did you hear about the new makeup brand?

Rachel: No. What's so special about it?

Emma: It makes you look more beautiful and confident. You can use their foundation to create a smooth base and the face powder to make your makeup last all day.

Rachel: That sounds nice.

Emma: They have many different colors of lipstick and lip-liner to choose from, as well as eyeshadows that match any outfit. If you have scars or blemishes, they also have concealer that blends in with your skin.

Rachel: Wow, they really thought of everything.

Emma: Yes, and their eyeliner and mascara make your eyelashes look longer too. Finally, add some shiny lip gloss for an extra touch.

Rachel: How do I put on this makeup?

Emma: It's easy! They usually show tutorials online. Once you have picked out what you want, just follow their instructions and you'll be good to go.
